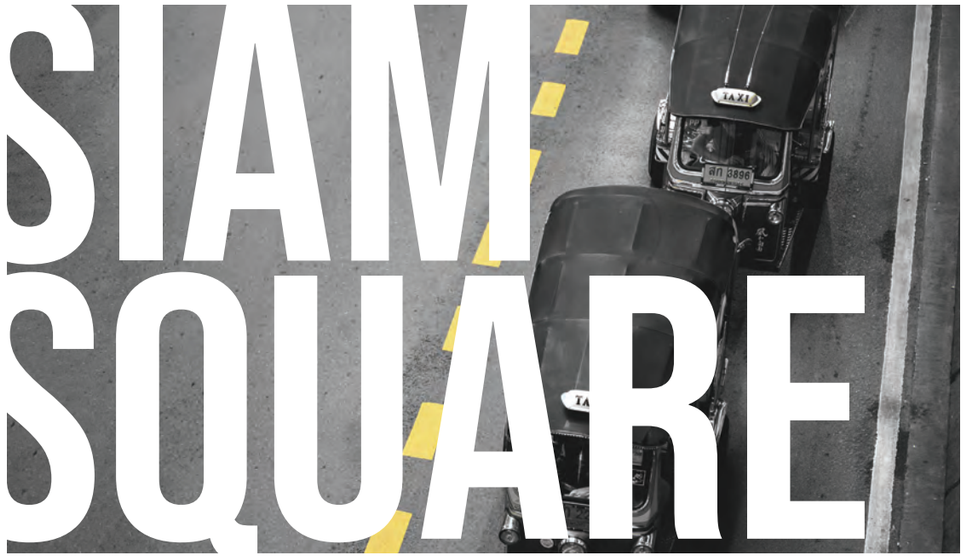
SIAM SQUARE



SIAM SQUARE: THE PULSE OF TREND AND TEXTURE.

Immerse your space in the essence of Bangkok, a city where tradition meets innovation, and every street tells a story.

Our **Bright Lights, Big City** collection continues its journey with designs inspired by the dynamic neighborhoods of this Southeast Asian metropolis. From the bustling energy of Siam Square to the tranquil flow of the Chao Phraya River, each tile reflects a unique facet of Bangkok's vibrant urban life. This design features interlocking, linear geometric patterns and structured textures inspired by the rhythmic street crossings, architectural angles, and relentless creative energy of Siam Square.
