KOKO Camden's electric energy meets the rhythmic harmony—where music, history, and design intersect. Inspired by Camden's vibrant spirit, this geometric motif captures movement and depth, echoing the venue's dynamic beats and iconic atmosphere. A stage for creativity, both on the floor and in the air.

CT303

The Amy Winehouse Statue stands proud in Camden Town as a timeless tribute. The bronze patina is echoed in the rustic colors used in this carpet. A symbol of soulful depth and raw artistry, this rich, aged texture brings warmth, character and a vibrant attitude to any interior space.

Carpets Inter_Bright Lights, Big City

Camden Lock Bridge, with its bold presence, inspires a soft greenish touch in this capsule collection. The structured pattern reflects the bridge's industrial charm, blending heritage with modern vibrancy—just like Camden itself. A fusion of history and creativity, woven into every step.

CT304

Neon lights and Camden’s vibrant nightlife contrast with the calm natural brown and beige tones in this design. Versatile for any interior, it brings balance to the high-energy streets—grounding the lively atmosphere with warmth and sophistication. A perfect harmony of movement and tranquility.
